A Demented Troll Production

This was the Bike park that MAG campaigned for, and after successful lobbying of North Somerset Council

On a good day it was barely adequate, but at least it was a safe place to park the bikes

Then after the Grand Pier burnt down The Big Wheel came to Weston!

And the bikes were evicted, and an inadequate area was supplied on a rough and heavily cambered piece of link road!

To add insult to injury the Bike Park was used for a fast food outlet!

A Demented Troll Production

So! After fielding many complaints from fellow bikers Weston MAG tackled North Somerset Council and got a promise of a replacement Bike Park. So after entering consultations with the designers a new bike park was planned

A Demented Troll Production

The new Bike Park would be part of the redevelopment of the Pier Square
After being initially promised the bike park would be open by the summer
of 2010, it was a long wait and finally its open!

There are still some finishing touches to be sorted out but its looking good

The bike park is signed off of
Marine Parade

Heavy brick paving has been used, also the
barriers are of a type to allow bikes to be
shackled to the cross bars

The entry off of Marine parade
has a long gentle slope

The exit is into the link road
between Marine Parade and
Beach Road, from which you
must turn Right

Roll on the summer!
